**Aeroturn Wins Prestigious 2018 ASTORS Homeland Security Award
For Perimeter Protection at ISC East in NYC**

Leading CT-based turnstile manufacturer makes a splash in NYC & is honored with an ASTORS award from American Security Today for its groundbreaking perimeter protection solutions.

Oxford, CT – December 4, 2018, Aeroturn LLC, a leading turnstile manufacturer that offers 100% Made in The USA turnstiles, today announced that the company is the proud recipient of the 2018 Silver ‘[ASTORS’ Homeland Security Award from American Security Today](#) for its perimeter protection solutions. The Annual ‘ASTORS’ Awards is a prestigious program that highlights the most cutting-edge and forward-thinking security solutions coming onto the market today. The program is specifically designed to honor distinguished government and vendor solutions that deliver enhanced value, benefit and intelligence to end users in a variety of government, homeland security and public safety vertical markets.

‘ASTORS’ nominations are evaluated on their technical innovation, interoperability, specific impact within the category, overall impact to the industry, relatability to other industry technologies, and application feasibility outside of the industry, ” according to Tammy Waitt, co-founder and editorial director of American Security Today. Aeroturn’s Dual Portal Mantrap Turnstile was selected for its innovative concept of providing higher throughput, while maintaining the highest level of security for locations requiring extreme vetting of personnel.

“As the nation continues to respond to escalating threats from home and abroad, the innovative solutions being implemented to meet those threats, has led to tremendous growth in the field of Homeland Security,” said Michael Madsen, cofounder and publisher of American Security Today. *“Today, the United States is increasingly focusing on protecting IT/cyber security networks and they are calling on innovative companies like “Aeroturn” to help them do so.”* *“Aeroturn is passionate about keeping products manufactured in the US and improving security measures in the country,* states Michael Stoll, VP of Technical Sales & Marketing at Aeroturn. *“We continue to raise the bar on quality turnstiles and have no plans of slowing down.”*
