Idesco Celebrates 75th Anniversary in 2018; Leads the Way in ID Solutions For Generations

Leading NYC provider of ID Card solutions celebrates huge milestone of being in business 75 years; helps businesses and organizations stay safe and secure for decades.

New York, NY — February 22, 2018 — [Idesco Corp.](http://www.idesco.com), a leading provider of ID card solutions, today announced that the company is celebrating a huge milestone as this month marks the 75th anniversary of the company. Idesco was founded in February 1943 as a manufacturer of laminated credentials and safety tags and today has become a leader in ID badging solutions.

“Idesco has evolved greatly over the past seven decades,” states Andrew Schonzeit, President of Idesco Corp. “My grandfather founded the company in 1943 by providing the War Department with ID cards. Today, Idesco provides ID card printers, photo ID systems, card printer supplies and badge accessories to thousands of companies all over the country.”

Over the years, Idesco has become an industry expert and prides itself on having product knowledge that is second to none. With technicians and service professionals on staff 24/7 to assist customers, a state-of-the-art NYC showroom, large product inventory, and an online portal to schedule same day service, Idesco has become the go-to provider of ID solutions for schools, healthcare facilities, corporations and many more.

Over the last few years, Idesco has also added a full line of oversized printers to help event managers issue event credentials on demand. Today, these printers - including the XXL 2.0 printer – are widely adopted by the event industry.

“We are very excited to celebrate this monumental anniversary and will continue to focus our efforts on helping to create a safer environment for the next 75 years,” states Andrew Schonzeit, President of Idesco Corp. “For over seven decades, Idesco has been at the forefront of new security technology and has no plans of slowing down.”
